## INTRODUCTION

Guangdong JUNON Songtian Electrical Appliance Co., Ltd. was established in 1983. It specializes in the manufacturing, research&development and marketing. The company covers an area of more than 40,000 square meters and has more than 1,800 employees.

JUNON is our own brand which is well-known and find a ready sale both in domestic and oversea markets. Our product lines include the switch&socket, LED lights and lighting fixture, distribution box, multimedia wiring box and miniature circuit breaker.

With advanced automatic equipments and test laboratories, our products reach the level of ISO9001 Quality Standard. Furthermore, we have won various rewards in recent years, such like "Guangdong High Tech Enterprise", "Foshan leading Enterprise of Intellectual Property" and "Grande A Credit&Quality Enterprise" and so on. Also we won the supplier of electrical appliances in the Media Village of the 2008 Beijing Olympic Games.

JUNON has the greatest vision to build our brand image, first-class brand, first-class company, excellent product and attentive service. In order to keep a long term and friendly cooperation relationship with each customer, JUNON keeps the win-win policy as our purpose and provides the professional suggestion to your family and city.

Looking back at the past, live in the present and dream about the future. JUNON is still on the way to achieve our mission. Safety house, Need **JUNON**.
